1

Have driver drop you off under the white awning just outside of the entrance to the Cancer Center.

2

Enter the Cancer Center and walk past the reception desk through a set of double doors. Turn right and take the elevator up to the 2nd floor.

3

Proceed going straight from the elevator past the reception desk onto a small bridge and continue moving forward past the sign that says “Clinical Research Center.”

4

Walk forward another 20 feet and turn left when the hallway dead ends. You have reached the Clinical Research Center.

Directions to the back entrance of the NPI building (Handicap accessible)

To access the handicap accessible entrance of the NPI building, you will need to go around the south tower of the building to the back entrance. Please follow the handicap entrance signs around the building.

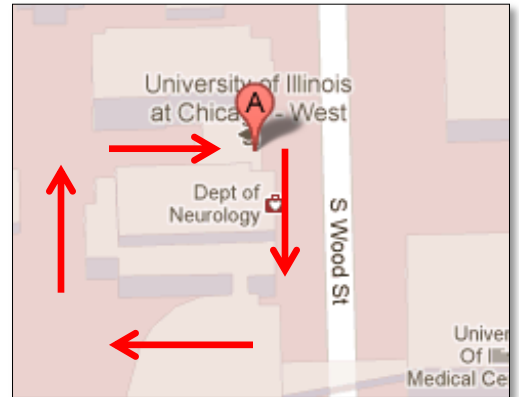

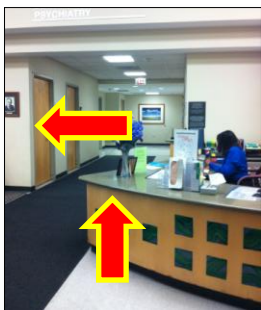

- 1** From the 912 S Wood front entrance, start by turning left and walking to the end of the building.

- 2** Then turn right and continue moving forward under bridge until you reach the next sign. At the sign, turn right.

- 4** Walk past reception and turn left when the hallway dead-ends. Take the elevator to the second floor.

- 3** Continue moving straight ahead until you see this sign, then turn right. Continue moving forward until you reach the back entrance of the NPI building. Enter through the double doors, and turn right through the glass doors of the South Tower.

- 5** Turn right out of the elevator, through the double doors and enter the Clinical Research Center.
